## Getting Down to Business in Bradenton, FL

On May 6, four new people were inducted into the FIT fellowship by completing the Facilitator Training Course.

On the left is Lance Duggan of Sarasota. Lance has a passion for helping the forgotten and disadvantaged and came to us exploring ways that

our program might help him in his ministries. To his right is Barbara Thorpe of Bradenton. Like Lance, she attended to get more information about the heart and scope of the program. At center is Ellie Larson, FIT Trainer. To the right of her is Adrienne Kuehl of Milwaukee, WI. Adrienne has been visiting Florida and plans to facilitate in sites being developed in Wisconsin by FIT board member Suzanne Wilson. Last, but not least, is Adrienne's sister, Kathy Buerger, of Bradenton. Kathy was previously trained but attended the session as a "refresher course" as she has been recuperating from illness and wanted to stay current. Kathy plans to become active in spite of her physical limitations.
