from Jessica Cassista, Lighthouse Ministries, Lakeland, FL: "We love your materials. FYI."

from Deborah Williams, Senior Chaplain, Program Director of Faith & Character Facility, Hernando Correctional Institution, Brooksville, FL:

To Family Integrity Training Director Don Pratt and Staff,

We LOVE the Family Integrity Training courses offered at Hernando Correctional Institution! Thank you so much for your faithfulness at offering these wonderful subjects, full of practical wisdom and important insight in all ranges of necessary life-instruction.

As we are a Faith & Character Compound, the "Blue Angels" (female inmates) who sign up for classes, benefit greatly and appreciate the dedication of the Volunteers who come in weekly to teach the material, and the F.I.T. Ministry that provides the wonderful Participant's Guides and Completion Certificates.

Without organizations like yours, we could not make a difference in the lives of these women, and---- could not fulfill the FDC Vision: Inspiring success by transforming one life at a time. Your dedication and generosity is truly appreciated.
