# Happy New Year, Everybody

**This is the day the Lord has made;  
We will rejoice and be glad in it.**

**Psalm 118:24**

It has been a tough year for all of us, but our hope is in Jesus and in Jesus our future is always bright! In spite of our setbacks, we look forward to a better year this year with more opportunities for effective ministry. More facilities are beginning to open up and the office is getting busier. There is hope ahead!

- ◇ First, we would like to say that we are **GRATEFUL**, for all the love and support that has been shown to us in the past decade and a half.
- ◇ We are **THANKFUL** for your being there for us, whether it is by financial support or becoming a facilitator and donating your time, love, and talents. Thank you for caring for the least among us.
- ◇ We are truly **BLESSED** to have so many people on board that love God and love people and that care about those who have fallen into misfortune. We are blessed to have such selfless dedication to this volunteer work, spending their own money and large blocks of time to accomplish the many things our members do. You are a blessing.
