The image shows a screenshot of a web form titled "Materials Request Form". The form has a blue header and a light blue background. It contains four input fields with red asterisks indicating required fields. The first field is "Name and Title of Submitter". The second field is "Submitter phone or email address". The third field is "Names of Certified Facilitators who will be teaching the course". The fourth field is "Name of Course and expected number of facilitator books and group member books needed. Example: Anger Dynamics 1 FG and 15 GG. Submit a separate form for each proposed course." There is a small "developing the skills through training" logo at the top left of the form area.

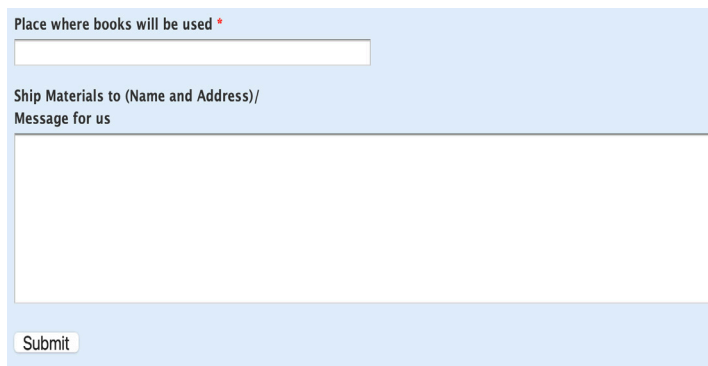

Fill in your name and title as the submitter.

Please submit your phone number or e-mail address so that we may be able to contact you if we have any questions.

The certified facilitators are very important. They must be a recognized Peer Facilitator or Facilitator who is currently active (membership has not lapsed).

Fill in the course name and how many copies you will need. **FG** is a Facilitator's Guide while **GG** is a Group Guide.

Clicking on the button to the right of the date blanks will reveal a calendar that you may click on and automatically fill in the date.

This section of the form contains two input areas. The first is a small text box labeled "Place where books will be used". Below it is a larger text area labeled "Ship Materials to (Name and Address)/ Message for us". At the bottom left of this section is a "Submit" button.

Please list where the books will be used.

Providing your address is necessary to get your books to you.

You may also message us below your address.

Once you hit the **Submit** button the request will be automatically sent to FIT.
